

Missionary Update:

The Soto Family

Greetings and hugs from our side, we are very happy for what happened this March. Without a doubt we have had a busy month and we thank the Lord because it allows us to serve on your behalf.

MINISTRY NEWS:

On March 5 we started learning English in the course "English For Life". We are very happy and we want to ask for your prayers so that God will fill us with wisdom to be able to learn English this year. We were also invited by the two Youth groups of our church to teach about: "Christian life". Also we made a missionary trip to Juigalpa, where we did activities with children and young people and then another missionary trip to the ayote, 200 km from the capital. We offered training to youth leaders and Alex preached in the church "Emanuel". We were also invited by Word of Life to preach the Gospel to young people of a soccer team. Finally, in Easter Week we participated in the camp retreat that our church goes to in San Pedro de Lovago. There we also had the opportunity to teach young people from 5 different churches. We are very grateful for every door that the Lord opens where we can be used for his glory.

PERSONAL UPDATE:

This same month we also had some difficulties where only God could have control. On Sunday, March 18, going to the church, we had a fender bender. A truck hit us from behind but thank God we were unharmed. Lorena was not very healthy this month. she had several exams to try to discover why. Whit time, she is getting better.

We are very honored to have you on our team as our prayer warrior, we would like you to remember these requests this month by praying for us:

- Wisdom for learning the English language.
- The health of Lorena.
- Our studies in the biblical institute.
- Provision for paying for medical expenses.
- Provision for the cost of the English For Life course

We always appreciate your willingness to pray for us and support the ministry that the Lord has entrusted to us. We love you in Christ and we pray for you always.

We are if you would like to join us as a financial partner, you can send funds easily trough [Xoom.com](https://www.xoom.com) . Please feel free to contact us or we can put you in touch with missionary Daniel Doyle to walk you through the process.
