

Beloved Partner receives greetings and a hug from us, we thank God for all the doors that he opens for us and we can serve him.

We want to share with you that the situation in Nicaragua is improving little by little. There is still much delinquency and economic effects after this crisis is substantial. Unemployment is high along with very high prices. But in the midst of all this, the Lord is faithful. He has opened opportunities for us to preach the gospel in order to give eternal hope in the midst of chaos. We are doing an evangelistic program twice a week in a high school. We also preach the gospel one by one. By the grace of God more than 40 young people have come to Christ in a month that we have been doing this program!

We have been training youth leaders from other churches and giving youth conferences about the Christian life. Last month we had an activity for couples. The Baptist Church "Camino de Vida" invited us to organize this activity with 38 couples.

In all this time we have been in contact with our partner in ministry, Daniel Doyle, along with the director of Servant Leaders, Cam Woolford. We are pursuing the possibility of doing an internship for a year to learn and prepare for service as missionaries. For this purpose, in the second week of October we will be doing an exploratory trip with the idea of knowing more about the ministry of church planting in Ecuador. For this we need your constant prayers for the Lord to provide. We need \$1000 dollars to buy the tickets.

If you are interested in supporting us financially with this project please feel free to be in touch with us or with Daniel Doyle to guide you on how to do it. We thank you for all your financial support and prayers.

Grace and mercy,

Pray, therefore, the Lord of the harvest, to send laborers into his harvest. Matthew 9:38
