

The Doyle Family

serving in Latin America
(Nicaragua/Ecuador)

We're nearly there! We've been waiting for documents to come in one by one and we're down to the last two. The next step will be take all these documents with us to Ecuador and apply for our visas in country. Pray that the process will go smoothly and quickly.

In February, La Gracia—Nicaragua saw the completion of the first building for worship! We were excited for CWE to make that trip and work with other missionaries on the ground in the construction. God provided in many ways, including the release of the container from customs, finances needed for building, and volunteers to work along side church members. God is using this next step to deepen the roots in the community and give credibility to the church plant. Pray that the church continues to grow and have a gospel impact in Vistas

Perhaps you've seen Nicaragua in the news in the last month. There has been much civil unrest as the government made changes to the social security system and people flooded the streets in protest. Protests turned to violence which turned to looting. There were more than 60 deaths that resulted and police corruption and brutality were blamed for much of this. We know some people who were injured and even shot in this violent unrest. Many of our missionary friends were bunkered down in their homes and eventually evacuated for a short time until things settled down. Our prayer is that God's love, grace and peace would be seen in the Christian church. Pray for believers in Nicaragua to be a witness in a difficult time.

As always, we would like to thank you for being part of our ministry support team. We have needed your prayer and encouragement and certainly have felt that in recent months.

God has always provided by faithful givers like you. If you are giving to our family financially, we would like to encourage you to transition your **giving directly to Servant Leaders.**

To Give:

- by check
Servant Leaders International
8500 E 116th St.
Unit 6408
Fishers, IN 46038

Please note separately that this gift is for the Doyle family.
