

EMA was a huge success. There were a few people not able to come due to Covid testing confusion, but we hosted people from Nicaragua, USA, and several parts of Ecuador. It was great to have people we worked with in other regions right here in Quito!

Renacer Bible Church hosted a missions conference for students and area churches. What a fantastic turn out! We saw God moving in the hearts of Latins. Many open doors have been presented to us, and we look forward to seeing Latins mobilized into international missions!

EMA students visiting the Mountain peaks!

Darwin's birthday

Dan has the opportunity to mentor or coach several pastors as they seek to become a Gospel Centered Church. This is not a denomination but rather seeking to be what God called the church to be. These are churches who want to take the primary responsibility to Mentor their own people, Mobilize them into ministry, and Multiply into more churches.

Alex teaching at EMA

Pastor Segundo in Santo Domingo

We are working with Renacer to help them accomplish these goals, and in partnership with them, we have the opportunity to impact several other churches. Pray for the churches and pastors that we are coaching and mentoring:

SLI missionaries from USA, Ecuador, Nicaragua

- Darwin:** Church in Pifo, Ecuador
- Pepe:** Church plant in Misicata, Ecuador
- Carlos:** Church in Puembo, Ecuador
- Segundo:** Church in Santo Domingo, Ecuador
- Amable:** Church Plant in Chillanes
- Alex:** Church plant in Nicaragua

We have our visas for the next two years!

EMA students hanging out after hours

We enjoy hosting people in our home. There has been an endless line of guests coming to stay with us. Alex & Lorena stayed a for another week after EMA. **Come and visit!**

Sunday afternoon is an oportune time to host church family and play cards or a game of soccer!

Uno is a favorite game!
